

## Important Information

The City of Newton has offered summer day camp programs since 1982. The popularity of this initial program led to many others like it.

Camp Brunen Brook is the newest edition to our summer day camps. Modeled after our school vacation camps and T-Ville Trails, Brunen Brook will offer daily choice activities and daily special events. Brunen Brook will run for seven one week sessions. Campers may register for one or more weeks.

Campers should come to camp dressed in comfortable clothing including sneakers and socks. Campers should bring a bathing suit and towel if they will be participating in water play. A water bottle, lunch and snack should be brought from home.

### Registration

Registration begins on January 29, 2012 for Newton residents and March 1, 2012 for non residents and continues until the program fills. We accept payment in the form of cash, checks or credit cards (Visa or Mastercard only). For information about scholarships, please call 617-796-1500

### Refund Policy

People canceling a program on or before May 15<sup>th</sup> will be given a refund of the program cost minus the non refundable deposit. There will be no refunds issued for programs after May 15.

## Activities:

Kids get to pick from a selection of activities during each activity period. Our specialists plan a variety of fun programs that revolve around the week's theme. Separate activity choices for grades K–2 and grades 3–6 allow for age appropriate activities for each group. Daily activities choices include arts and crafts, sports, playground, gym, science and nature, music and drama, inside games, water play and more.

## Special Events:

One of the best things about attending Camp Brunen Brook is the **daily** special events. Special events involve the entire camp and include a magician, camp carnival, petting zoo, a lego party, tie dye, curious creatures, a DJ dance party and more. Everything is brought to camp so we don't leave the camp facility during the day.

## Staff:

The strength of the program lies in our enthusiastic, caring, and responsible camp staff. A team of carefully screened high school and college students are paired with motivated professionals to provide the skills and energy needed to ensure the success and enjoyment of each camper.

Activity specialists plan and run each activity with the help of group counselors and CIT's. A ratio of 1 staff to every 5 campers ensures that everyone is getting personal attention and most importantly having fun.

Staff are certified in First Aid and CPR. The staff and the program meet the Massachusetts Camping standards and the Newton Health Department licenses the program. Parents may request, in writing, copies of any and all camp policies.
